

LUTRONIC MONTHLY NEWS LETTER

January 2015

“2015 promises to be equally exciting as we continually look for ways to make our products and services the best they can be for you and your customers”
Haelyung Hwang, CEO

Dear Lutronic Family,

Thank you always for your cooperation as Lutronic’s partner.

This time we start issuing the Lutronic monthly newsletter so that you could catch up things that are happening both inside and outside of Lutronic.

We hope it could be an assistance of communication with Lutronic and it eventually helps your success!

LUTRONIC NOW

Connect with Lutronic

Its continued commitment to advancing the technology around the globe, Lutronic has announced that its website is now available in 8 languages.

To celebrate this, we invited the physicians to share their experience in their own languages on Lutronic and its products.

Through this event, we received lots of testimonials, please check them out.
